

Music Endowment Grant

Purpose of the program

The Music Endowment is a fund of the Lawrence Schools Foundation and the result of the fundraising efforts of *Music Works!* to enhance and enrich music education in the Lawrence public schools. Grants will provide music educators with funds they need to enhance access to, enrich the quality of, and expand the educational experiences of their students.

Grant amounts

The Foundation will award these grants annually based on available funding from the endowment. *Grant requests will be funded in full when possible, although it may be necessary to partially fund some grants.*

Eligibility

Any music educator or group of music educators in the Lawrence Public Schools may apply for a Music Endowment grant.

Funding Priorities

Music educators are encouraged to apply for grant money to fund any project, purchase or program that they believe will enhance, enrich and expand the music education of their students. In the past, *Music Works!* Grants have funded costs of small group instruction for the string program at South Middle School, iPads for LHS band to plan marching routines and for "Smart Music" software program for South students; Tubano drums for Kennedy Elementary, Ukuleles for Deerfield Elementary students and many others. We want these grants to help you, the music educator, develop a MONSTROUS music education program that cannot be destroyed!

Restrictions

- Grants may not be used to pursue degrees or to pay salaries to applicants. However, grants can be used for staff/professional development
- Grants are to be used only for the specific purpose awarded.
- Grant applications must be for projects that can be implemented and completed in the current school year. Grants awarded are conditional upon the project actually being implemented.
- Any grant funds not used or committed by the end of the school year, will be returned to the Foundation, unless otherwise authorized in writing.
- **Grant recipients must submit a one-page evaluation by the end of the school year**, or within one month after the grant's activities are completed, explaining the project's level of success. Supporting documentation should accompany the letter and copies of the photos or published articles about the projects are appreciated. Future proposals may not be funded if an evaluation is not submitted.

Selection Committee

The Selection Committee for the Music Endowment grants will include district music educators and a Foundation Trustee. The Foundation Board of Trustees will make the final decision on which grants will be awarded.
